

What is BVL?

BVL, The Bowlers to Veteran Link, was established in 1942 to support American service men and women during their time of need by providing programs and services which help to repair strong minds and healthy bodies.

BVL's goal is to show we honor our armed forces and value their sacrifices to our country.

Why are you asking me for help?

The closest contact we have with the bowlers is through their league Secretary and President.

How do you raise the money for the veterans?

Several ways:

- We ask for a \$1.00 donation from each league bowler. Forty-five percent of our yearly donation comes from these \$1.00 donations,
- We host a bowling tournament in December.
- We solicit direct donations.
- We hold 50/50 and raffles.

How can I help?

- We ask that you distribute the information on BVL and the BVL Tournament to your bowlers. Ask them for a \$1.00 donation. The BVL Tournament will be held December 2, 2018 at Bowladium Lanes. Squad times: 10AM and 1:30 PM.
- Submit the funds collected to the Citrus Belt USBC office by **November 15, 2018**.
- If you are already a 100% BVL donation league, we thank you and ask that you send your donation to the Citrus Belt USBC Association office @ 667 West 2nd Street, San Bernardino, CA 92410 again by November 15, 2018
- Please attach a League Sheet with your paperwork.

Thank you again.
