OFFICIAL BOOK AVERAGES ESTABLISHED IN CERTIFIED LEAGUES
AUGUST 1, 2025, THROUGH July 31, 2026

The averages in this book are compiled from the information submitted by the league secretaries. The CBUSBC accepts no responsibility for the averages as listed herein; but places the responsibility on the individual bowler to use his/her correct average and to report his/her correct average to the Association Office.

If your average does not appear in the book, your league secretary may not have submitted it to the office, or you were not properly certified as a Citrus Belt Association Member. If you need average verification, it will be your responsibility to provide verification if we don't have it on file.
